Reflection: Wisdom, Truth, Eternity Now listen to how the Holy Trinity praises Itself with Its endless wisdom and Its everlasting truth and Its entire eternity. Listen to this sweetest, most amazing, happiest music: The Trinity sings with full voice, and all the sweet voices of every saint join in.

The Father sings a hymn of praise: "I am white water, a surging stream no one can stop. But, sad to say, a person can block up the heart easily with a foolish thought and so prevent My restless, ever-working Godhead from flowing into their soul."

The Son sings next: "I'm an ever-running richness contained by no one except the tide of eternity always and forever flowing from God, which returns in its fullness in His Son."

The Holy Spirit joins in: "I'm the undefeatable power of truth. This is found in any person who perseveres in God, come what may." Together, the whole Trinity sing: "I'm so amazingly strong in My unity that nobody can ever separate Me or shatter Me throughout eternity." Mechthild of Magdeburg, *The Flowing Light of the Godhead*

Word of Life

"In modern times, children in their mothers' wombs and those approaching the end of their lives are certainly among the 'least of these' in our world's estimation. Practices such as abortion and assisted suicide tragically reject the truth that human life is always to be cherished and defended with loving concern. ... Through the intercession of Our Lady of Guadalupe, may Our Lord grant us the grace to truly and courageously live his Gospel of life." USCCB Secretariat of Pro-Life Activities
