

## **Holy Rosary Parish Council**

### **MINUTES FOR October 2, 2018**

Members present for the meeting were Father Mark Brantley, John Hagood, Brandon Warner, Kay Koger, Cyndi Rogers, Diane Seiler, and Leroy Seiler. Father Mark opened with a prayer.

Then he gave his report. He got a new computer and is working on getting Wi-Fi set up in the church. He wants to be able to help non-computer literate parishioners to set up on-line giving in the church. The Wi-Fi will be used for the Parish School of Religion and for RCIA. Father received an e-mail from Eric Hazelhorst to encourage stewardship in the church. Eric encouraged a Stewardship fair but due to the smallness of our parish, a talk after the homily was suggested.

There is a need to elect new parish council members. We were all encouraged to think of new possibilities for parish council members. These people need to be asked if they would be on the council. Those nominations will then go to council and Father

On-line giving is coming to Barber County. Donations are said to increase from 25-40%. This would eliminate the need for parish envelopes. A paper will be attached to the bulletin to help people sign up for On-line giving.

John gave the financial report. See financial report paper. The report was for 3 months. The good news was that we were only \$1000.00 short or \$ 333.00 a month. Hopefully online giving will help correct the deficit.

The meeting was ended with a prayer from Father Mark. The next meeting was set for January 8, 2019.
